2015 Bed Tax Collection Highlights

- 2015 brought 11.21% growth over 2014, and 2014 was 4.74% higher than 2013.
- An increased number of visitors, new hotel construction, increased weekly rentals active in the market and enhanced enforcement were among the factors.
- Cooperstown is experiencing the greatest growth in terms of dollars.
- The Village of Unadilla is experiencing the greatest growth in terms of percentage.
- Overall, growth is the strongest and most consistent among the more highly active municipalities.
